F-M RETURNABLES #033-07-02.1

Chris Arnone representing The Image Press appeared before the Planning Board seeking approval for one attached sign. The proposed sign was 11' in width by 3' 6" in height. Applicant revised the sign face to 3' in height by 10' in width. (Village code, section 99-25C(2)(a)(1) says the height cannot exceed 2' in height). They also requested internal lettering with the letters and background lighted. (Village code, section 99-25C(3)(a)(1) and (2) states that illumination can only be the letters and logo luminous against an opaque surround).

Discussion ensued regarding the size of the sign, lighting and banners.

Application was withdrawn and applicant will submit a new application with their modifications.

Motion made by Mr. Testani, seconded by Mr. Hehl to adjourn the meeting at 7:33 p.m. All in favor. Motion carried.

Respectfully submitted,

Connie Stuper, Secretary
Planning Board
